## PATTERN NOTES

Gardenia is an ideal hat for early spring days when the air is crisp, and the first blooms begin to sprout. This hat features a beautiful cable and lace pattern throughout. Ravello, a blend of cotton, merino wool, and recycled cashmere, has a slight halo that beautifully complements the stitch pattern.

Gardenia is worked in the round from the bottom up. This pattern is both written and charted for your convenience. When working decreases, change to your preferred needles for knitting small circumferences when there are too few stitches to fit comfortably on circular needle.
